Westerly Woman Seriously Burned

While Heating Some Alcohol in a Tin Cup Over a Gas Jet—Three G. A. R. Members Dead—Annual Meeting of River Bend Cemetery Company.

The preliminaries of what promises to be a lively fight over appointment of commissioners of shell fisheries in the grand committee of the general assembly, have become manifest, and the interest increases hourly. Five commissioners must be elected for a term of five years. The commission-ers receive a salary of \$500 each and they have the appointment of a clerk at a salary of \$1500.

The Washington county representative in the commission is former Senator George W. Hoxie, who was re-elected to the senate, and his opponents are carrying the fight into the present contest. It is a matter of record that former Senator John G. Wilcox of Charlestown was slated for the nomination to the senate, but in some ways that were peculiar, the commission-ership got mixed up with the election of the county clerk in the Westerly Third district court. When the smoke of political battle cleared away, it was found that Mr. Hoxie had slipped into the office as a dark horse. Now the Wilcox forces are actively at work to subvert him and the commission as the Washington county member.

Capt. Herbert M. Knowles, superintendent of the Third district fire-savings station, and Capt. William Davis of the Watch Hill station, attended a special session of the Suffolk county board of shell fisheries, Wednesday, to arrange for the annual session of three days to be held in that city next June. The session is scheduled by the life-saving corps along the Atlantic coast. It was at first planned to hold the convention in Newport, but owing to lack of adequate hotel accommodations, the change was made. The organization has about 1500 members and there will be at least 300 delegates at the convention.

The annual meeting of the River Bend Cemetery company, which is composed of the lot owners, was held at the residence of Ethan Wilcox as chairman and Walter E. Wilcox as secretary, Wednesday, at 10 o'clock. The treasurer submitted his report in detail, which showed a very satisfactory financial condition, which was indicative of increased improvement of the cemetery property as all profits are used for that purpose, no dividends being paid to those who constitute the company. The following were elected as the board of trustees: Charles P. Chapman, Charles P. Corbett, E. Whipple, John T. Edmund and Walter E. Wheeler. The trustees will meet later and re-elect Walter E. Wheeler as secretary and treasurer. He has for years been in practical charge of the management of the cemetery, and his fixed

A WOMAN'S BACK

The Aches and Pains Will Disappear If the Advice of This Norwich Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache. That's why Doan's Kidney Pills cure it.

Many Norwich women know this. Read what one has to say about it: Mrs. Oscar Bjork, 153 Mt. Pleasant Street, Norwich, Conn., says: "I found splendid results from the use of Doan's Kidney Pills and therefore do not hesitate to recommend them. For some time I was greatly annoyed by backache, and when I first arose in the morning the pain in my loins was always more severe. Often if I lay down my back became so lame and painful that I was scarcely able to arise. My mother told me that my suffering was due to my kidneys being at fault, and learning of Doan's Kidney Pills I went to N. D. Sevin & Sons' drug store and procured a box. They proved to be just what I required and in a short time the pain and lameness had disappeared. In fact, I felt better in every way. Doan's Kidney Pills fully carry out all claims made for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

It is a dangerous thing to take a cold medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar loosens and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes and take only the genuine Foley's Honey and Tar in the yellow package. Lee & Osgood Co.

New Haven.—Dr. and Mrs. W. L. Porter and daughter, Katherine, have returned from India, where they have been for four years. Dr. Porter as a missionary and teacher. They will spend some time with Mrs. Porter's parents, Mr. and Mrs. W. S. Bassett of New Haven.
